

Helping save money and energy with the Commercial High Efficiency Foodservice (CHEF) Program

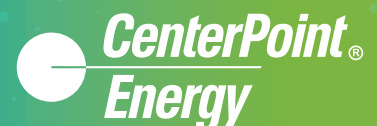

Flavorful incentives with the CHEF Program

Whether your business is a school cafeteria, office building, restaurant, healthcare facility or other type of commercial foodservice operation, we have incentives that can help you reduce costs, add efficiency, and increase quality. CenterPoint Energy's ENERGY STAR® commercial equipment incentive program can help you improve your facility's energy efficiency. The CHEF program offers eligible businesses incentives for qualifying commercial ENERGY STAR rated appliances.

Secure your incentives

To learn more about the CHEF program or to participate, visit CenterPointEnergy.com/CHEF or contact Nora Luna at Nora.Luna@CenterPointEnergy.com or 713-207-3423.
